

# Day of School Assignment

---

On Thursday, February 12<sup>th</sup>, we will celebrate the 100<sup>th</sup> day of school! For homework, each student has been asked to find 10 groups of 10 items at home. Each group of items needs to be different. The 10 groups of 10 items need to then be attached to the enclosed piece of cardstock paper. Gel glue or hot glue will work better than "school" or stick glue. Have fun and be creative when thinking of items to include on your display board! Please return this board, in the enclosed Ziploc baggie anytime this week, but by Thursday, our 100<sup>th</sup> day of school celebration day (yes, we are aware that we've missed two school days due to snow days, however, we will still celebrate the 100<sup>th</sup> day of school on Thursday). ☺
