Dear Chaperones,

Thank you for volunteering to chaperone our field trip on June 5 with a rain date of June 6. I'm sure it will be fun and exciting for all. Remember to bring a bag lunch for yourself and your child. I will have a small group with your child and you can explore on your own, or join with another group and explore together. The groups are as indicated below:

Mrs. Meacham	Mrs. _____	Mrs. _____	Mrs. _____	Mrs. _____

I would suggest coming to school in the morning and following the bus, or if it works better for you, you may meet us there. Your child must ride the bus to the field trip, but you may take **your** child home with you at the end of the day, if you give send a note.

I've included a copy of our itinerary for the day on the back, so please take this letter with you so you will know when we will be arriving at the zoo.

As you arrive at the *New Zoo*, please meet us near the entrance so we can walk in together. At the *Wild Life Sanctuary*, we will meet at the large nature center which forks to the left as you enter. When it is time to board the bus, all children need to be on the bus on time.

The children are allowed to bring a few quarters for animal food. Please do not let any children enter the food stands or gift shops.

Feel free to call or email with any questions, comments, concerns, or suggestions. Thank You!

Sincerely,

Jessica Meacham
